NOT A BIT OF IT.

The attempt of Senator Stewart of Nevada to shield his business partners in wholesale thefts of government timber, is pretty thoroughly exposed by Land Commissioner Stockslager. But there is nothing surprising about it. It is in the line of the general conduct of the political millionaire on the sunset slope and elsewhere.

The foregoing is from the St. Louis Republic. We have not seen Stockslager's "exposure," but we know that he has made no such report except out of whole cloth. And we venture to assert that neither Stockslager nor the Republic knows at all what they are discussing when they speak of the timber lands of Nevada. The action of the blackmailers who persuaded the Government to commence suits against the Eureka and Richmond mining companies for cutting timber from the public lands was as stupid work as was ever performed. It is remarkable that, while for two hundred years the men of the Eastern States struggled to clear their lands of timber, consigning the most beautiful specimens of hard wood to the flames; their descendants appear to consider that they are personally wronged if a miner in the desert cuts a few juniper or nut pine trees for fuel. For that is all that those trees are fit for. The two mines spoken of above have yielded some \$35,000,000. Without using the scrubby trees, they would have remained unopened indefinitely. Their presence was all that gave the trees the slightest value, but the Government apparently decided that no miners should ever make scrubby trees valuable without paying their full value. It is a pitiable business, as the Republic or the immortal Stockslager would quickly comprehend if they would get to the facts. A thousand Stockslagers will never, even by implication, injure Wm. M. Stewart.—Salt Lake Tribune.

Greeley on the Bull Run Disaster.

New York Tribune: The following is a letter in which Mr. Greeley relieves his overcharged heart of the shame and grief of the route at Bull Run. Its red-hot denunciations may serve to show that another distinguished editor, who has lately had much censure for some of his letters, was not the only one whose temper was sorely tried by the blunders and misfortunes of that gloomy period:

New York, July 27, 1861.

Dear R—: God pity me for having to lie and curse my self to save my ruined country. I know that Scott is an old humbug, and worn out at that, and that his heart is not in this fight. I know that both Scott and McDowell ought to be shot for the mismanagement of that business and yet, I must curse my self and seal my lips, and try to get on in the ways of crookedness, for the people will have it so. I am broken-hearted.

Yours,
HORACE GREELEY.

SUNDAY'S TRAGEDIES.—At Albany, Ga., William Gilmore killed his 17-year-old wife and then suicided.

At Galena, Ill., Geo. Ikere shot and killed Prof. Matchett. Lynching is talked of.

Dr. Cronin, of Chicago, disappeared suddenly on Saturday night, and is supposed to have been murdered.

At Chicago Wm. Transor in a fit of insanity, brained his four-year-old child with an ax, attempted to kill his wife and then cut his throat, but is still alive.

IN BLISSFUL REPOSE.—It is said that many a shapely leg owes its symmetry to sawdust. A dusky Indian beauty beats that out of the field. A few days ago one of these was stretched in blissful repose by the side of the road at Independence, her stocking nicely padded with a bottle of whiskey.—Independent.

TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking a man ever saw. He took the first premium for 3-year-old stallions at the State Fair of 1882. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$50 to insure.

PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 23 and year-olds are out of St. Clair mares, namely: Fred Crocker dam by St. Clair, two year old record 2 25 1/2; Boult, dam by St. Clair, 2 year old record 2 21 1/2, 3 year old record 2 12 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the ears will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.
